

New Zealand Batsmen Vs Pace Bowlers - Plan / Strategy Handouts - ODI

	Areas to Bowl	Bouncers	Death Overs
Guptill	4th stump good length - shaping in - LBW/Bowled - Cuts in air square	Wicket option for bouncers angling in	Yorkers angling in & Bouncers in to the body
Tom Latham	Confuse everyone by bowling underarm	If your name's not on the list, I can't let you in, dude	Great on the pull - fantastic wingman - but note - highly allergic to compounds containing clay
Williamson	Don't actually bowl - Can't hit what isn't there	Compulsive hooker - if you know what I mean	Often susceptible to Roxette's 1990 classic <i>It Must Have Been Love</i> towards end of innings
Worker	Warn him that you have seen the leaked Ashley Madison database as you release ball	$H_{total} * \left(1 - \frac{\rho_{object}}{\rho_{fluid}} \right) = H_{above}$	Dot ball specialist - try to tempt with 'no wicket for no runs' agreement if game status dictates
Elliot	Over the wicket while singing theme from <i>The Littlest Hobo</i>	High and wide like a Mario Balotelli shot	AB to tickle him as you begin approach - feather sensitivity is OVER 9000!
Colin Munro	Throw ball at him and then appeal all the things	Give him ol' Knuckle Schmuckle ball	RELEASE THE DOGS OF WAR!!!!
Neesham	Channel inner Harry Potter and try <i>Alarte Ascendare</i> or <i>Meteolojinx Recanto</i>	Blindfold the umpires and punch the batsman	RECAPTURE THE DOGS OF WAR!!!!!! THEY WERE CLEARLY RELEASED IN ERROR!!!! THIS IS A GAME OF CRICKET!!!!
Luke Ronchi	Bowl like a riddle, wrapped in a mystery, inside an enigma	Approach at speed using interpretive dance - bowl hard into rib cage like a poky stick - but don't make him angry - You wouldn't like him when he's angry.	Substitute ball for ACME cartoon bomb as you run in
Nathan McCullam	4th stump good length go hard or go home but option to stop at pub on the way if you choose to go home	Aim at the fingers - maybe still sore after that incident with the crab	WWJD?
